PROFESSIONAL EXPERIENCE

SADDLERY WAREHOUSE
AUCKLAND, NZ

Social Media & Marketing Executive | December 2016 - Present

- > Played a key role in the company's **brand refresh** and digital transformation, helping modernise its visual identity and online presence.
- > Introduced **video marketing** initiatives and helped transition the business from static promotional content to video-first campaigns.
- > Led the adoption of short-form video content and **social media reels**, significantly increasing audience engagement and brand visibility.
- > Played a key role in the company's digital transformation by supporting the migration from **OpenCart to Shopify**, utilising AI-powered tools such as Claude to streamline design, content production, and website development workflows.
- > Produce and manage **social-first content** across Instagram, Facebook, YouTube, TikTok, Shopify, and eCommerce platforms.
- > Plan and execute content strategies supporting product launches, seasonal campaigns, sales events, and brand growth initiatives.
- > Create photography, videography, reels, product demonstrations, and promotional content for digital marketing campaigns.
- > Designed marketing assets for social media, Klaviyo email campaigns, website promotions, digital advertising and retail campaigns.
- > Implement AI-powered creative workflows using **ChatGPT, Claude, Higgsfield.ai** & generative AI tools to improve content production efficiency and accelerate campaign delivery.

BLU PLATEAU LTD
AUCKLAND, NZ

Motion Graphics Designer | June 2014 - March 2016

- > Produced motion graphics, promotional videos, and animated content for digital marketing, advertising, and broadcast media.
- > Collaborated with clients and creative teams to transform concepts into engaging visual stories and brand campaigns.
- > Utilised Adobe After Effects, Premiere Pro, Nuke and animation tools to deliver high-quality multimedia content within project deadlines.

PRINT CONCEPTS
AUCKLAND, NZ

Graphic Designer / Print Production Operator | April 2016 - November 2016

- > Supported the launch and growth of a startup printing business by helping establish its branding, marketing materials, and visual identity.
- > Designed print and digital assets including brochures, signage, flyers, business stationery, and promotional materials for clients across multiple industries.
- > Operated commercial printing equipment and managed artwork preparation, print production and quality control, ensuring projects met a high standard.

GRAVITY FILMS
HYDERABAD, INDIA

Visual Effects Artist | February 2013 - January 2014

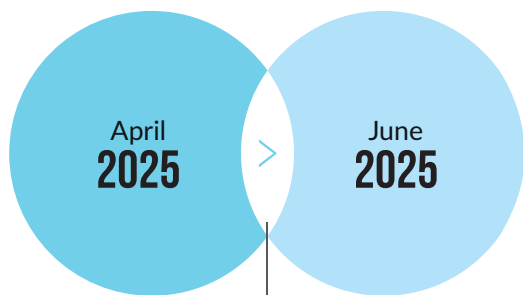

- > Created visual effects, compositing, and post-production assets for film, television, and commercial projects.
- > Worked closely with directors, editors, and production teams to deliver seamless visual storytelling and high-quality screen content.
- > Assisted in shot preparation, roto, tracking, compositing, and final rendering workflows within fast-paced production environments.

UK DIGITAL ENTERTAINMENT
HYDERABAD, INDIA

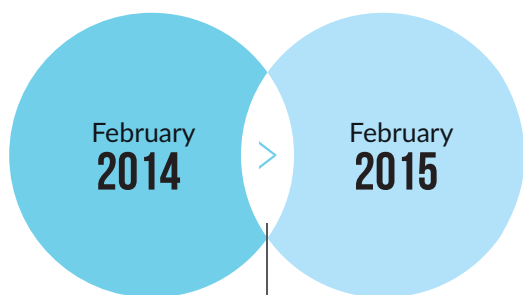

3D Artist | February 2011 - March 2012

- > Developed 3D models, textures, animations, and visual assets for gaming and animation projects.
- > Collaborated with designers and production teams to create engaging digital content while maintaining technical and artistic standards.
- > Supported asset optimisation, rendering, and production workflows to ensure efficient project delivery.

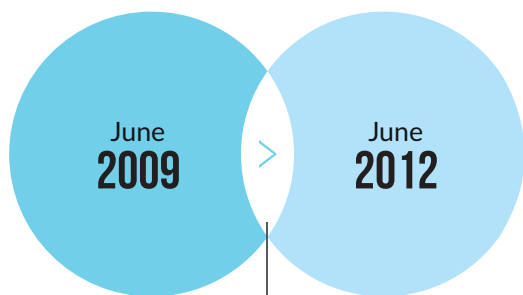

EDUCATION

NZIE – New Zealand Institute of Education, Auckland
SEO COURSE

Media Design School, Auckland, NZ
Postgraduate Diploma in VFX & Motion Graphics (Level 7)

Manonmaniam Sundaranar University, India
B.Sc. Specialising in Multimedia & Animation

CAREER HIGHLIGHTS

- > Played a key role in Saddlery Warehouse's brand refresh and digital transformation.
- > Helped move the business from static promotional content to video-first marketing.
- > Supported the OpenCart to Shopify migration, improving website and creative workflows.
- > Created marketing assets across social media, Klaviyo email campaigns, website promotions, digital ads and retail campaigns.
- > Built AI-Assisted creative workflows using ChatGPT, Claude, Higgsfield.ai and other modern creative tools.
